

DARE TO COMPARE

BOISE® ASPEN® TO THE COMPETITION

Thanks to technological advances and rigorous production standards, you can trust Boise® ASPEN® 30 Multi-Use Recycled Copy paper to deliver consistent performance and excellent run-ability. We're so confident in our paper, we'd put it head-to-head against any copy paper out there.

If you're currently using **Hammermill Great White** for your everyday printing needs, here are some reasons **ASPEN 30** may be a better option.

Where Boise ASPEN 30 Beats Hammermill Great White 30

- ✓ Better formation for more consistent print results
- ✓ Higher caliper resulting in a stiffer, more durable sheet
- ✓ Lower contaminants for a cleaner, crisp print
- ✓ Higher opacity means less show-through, improving two-sided printing
- ✓ Supports Project UP™, transforming communities, one tree at a time

Where Boise ASPEN 30 is Similar to Hammermill Great White 30

- 99.99% Jam-Free®
- Made in the USA
- Forestry Certified
- Available in Support Sizes
- Basis Weight (20 lb.)
- 92 Bright

Labeled Paper Grade	Basis Weight	Brightness	Opacity	Caliper	Contaminants*	Formation*
Boise ASPEN 30	20	92	90	4.2	2.2	23
Hammermill Great White 30	20	92	86	4.0	8.6	19
