

SKILCRAFT Remanufactured Toner

SKILCRAFT® is the preferred brand of federal purchasers worldwide due to a strong performance history of reliability, value, sustainability, and mission. Manufactured by a Source America affiliated agency, the brand has numerous benefits to offer:

- A significant cost savings compared to the branded equivalent.
- Magnuson-Moss Warranty Act insures products will not void the original manufacturer's printer warranty.
- A one-year, 100% satisfaction guarantee on all products.
- Satisfaction of Executive Orders 13423 and 13514 to encourage environmentally sustainable solutions.
- A free and easy cartridge recycling program.

70% of people who are blind or have other severe disabilities are unemployed.

Purchase with a Purpose!

Best of all, every purchase of **SKILCRAFT®** remanufactured imaging supplies creates employment opportunities for people who are blind or have significant disabilities.

SKILCRAFT® IS A REGISTERED TRADEMARK LICENSED BY THE NATIONAL INDUSTRIES FOR THE BLIND.
